Family Newsletter January, 2024

Winter Weather Has Arrived!

Please be sure your child has a full set of winter gear including: Snowpants, jacket, boots, hat and waterproof gloves. Please label all items.

Children under two years of age will go out when the temperature is 20 or above, children over two will go out when the temperature is zero or above.

Let's Enjoy our Beautiful Wisconsin Winter!

Weather Closings

If the center is closing due to winter weather, you will be notified via a text or voice message through the college's Rave Alert system. We also email all families.

Occasionally, classes are canceled and campus and the ELC remain open.

Likewise, the college may remain open and the ELC will close.

All attempts are made to make messaging clear, **please listen to messages completely.**

Welcome Elyssa!

Please join us in welcoming Elyssa to the ELC teaching staff. Elyssa completed her final teaching practicum here at the center last semester. She will graduate from MATC with a degree in Early Childhood Education this spring. Elyssa is originally from Bend, Oregon and has been in the Milwaukee area for about 10 years. In her spare time, Elyssa enjoys reading, playing the piano and singing. Elyssa is currently working in Room 13.

Our Mission

Alverno Early Learning Center exists to promote educational and personal development of every child and staff member who enters our doors. We will respect every child, parent and co-worker by keeping the lines of communication open and confidentiality a priority.

Our Philosophy

Alverno Early Learning Center believes in high quality care and education for each child. Our program is based on the philosophy that:

- ◆ Children grow and develop through active explorations in a warm nurturing environment
- ◆ We believe in the uniqueness of each child, and strive to meet the individual need of each child.
- ◆ We provide a variety of educational experiences that place emphasis on child involvement and decision making.
- ◆ Activities are focused to enhance social, emotional, cognitive and language development.
