

Posting Date: February 17, 2012

Position: ASSISTANT PROFESSOR OF NURSING

Department: School of Nursing

Hours per Week: Full-time / 10-month

Primary Duties and Responsibilities

*The following information is not meant to be all-inclusive.
Other duties and responsibilities may be assigned as necessary.*

Contract begins August 2012.

Responsible for teaching undergraduate and/or graduate nursing students in classroom or clinical environments. Departmental responsibilities include collaboration with an outstanding team of faculty, student advising, on-going curriculum development and enhancement, and participation in department and college-wide faculty development meetings and experiences.

The position is on track for continuous appointment and opportunity for promotion in rank

Qualifications

Prior teaching experience at the college level is required. Recent clinical practice expertise is required. Requires current Wisconsin nursing license. Certification as Family Nurse Practitioner, or Mental Health Nurse Practitioner desired. The successful candidate should have a passion for teaching excellence and a willingness to work in a highly collaborative environment.

Education

PhD or doctorate in nursing is strongly preferred. Candidates who are nearing completion of their doctoral work may also be considered.
