

## Students - Linking LiveText to Moodle

Now that you have created your LiveText account, we will link your LiveText account to your Moodle account. Once this step is completed you will be able to go seamlessly from Moodle to LiveText without needing to log in to LiveText.

<p>1. LiveText assignments will appear as a green puzzle piece in Moodle. Click on the puzzle piece to link to your LiveText assignment.</p>	 <p>The screenshot shows a Moodle page titled "Topic 1". It contains two items, each represented by a green puzzle piece icon. The first item is labeled "Sample COMPLETED LiveText Assignment" and the second is "Sample NEW LiveText Assignment". A red arrow points to the puzzle piece icon of the completed assignment.</p>
<p>2. The first time you link LiveText from Moodle, you will be asked to login to LiveText. Enter your username and password and click "login".</p>	 <p>The screenshot shows a LiveText login form. It includes a "Visitor Pass" button with a "VP" icon, a "Username" input field, a "Password" input field, a green "Login" button, and a "Forgot?" link. Below the form are navigation links: "HOME/REGISTER", "PARTNERSHIPS", "NEWS &amp; EVENTS", and "ABOUT US". Two red arrows point to the "Username" and "Password" input fields.</p>

3. After you have made this connection, you will be taken directly to the assignment in LiveText without needing to log in a second time.
