

In order to Use any Adobe Creative Cloud Apps on a Computer lab Mac, you will first have to sign in with an Enterprise ID. Please use the following steps to sign into Adobe Creative Cloud with your Alverno Credentials.

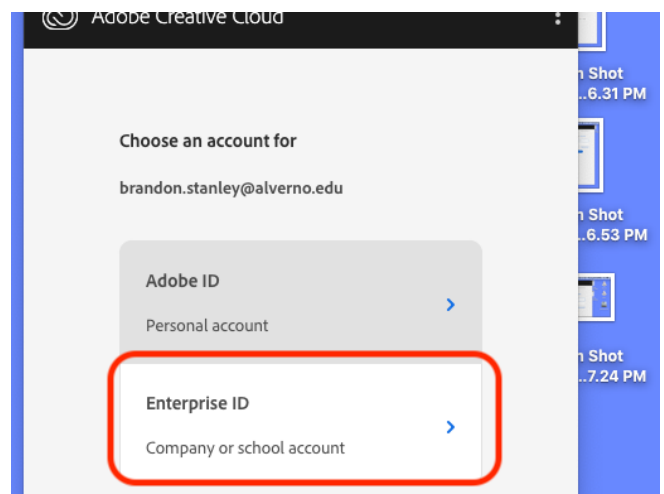

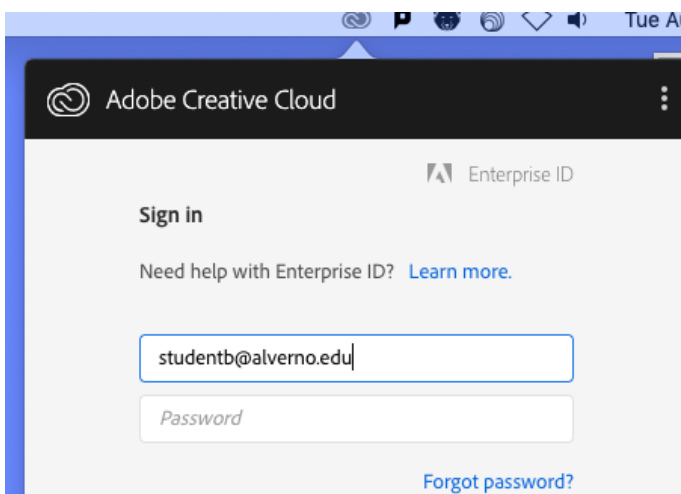

- 1) Start by clicking on the Creative Cloud Icon near the Date on the top of your screen.

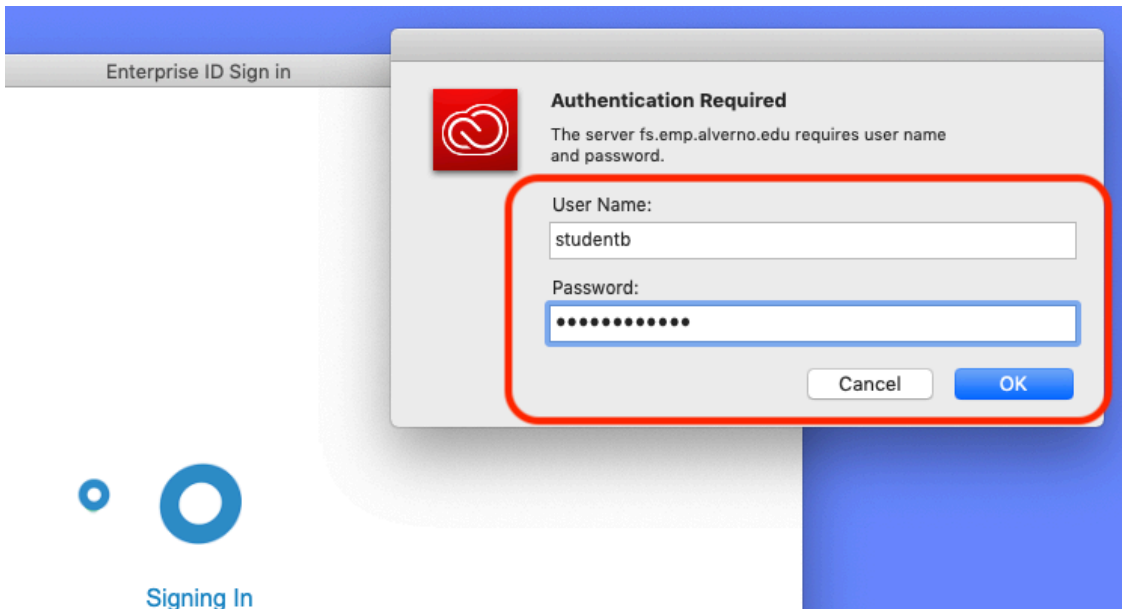

- 2) Next, Click down below on "Sign in with an Enterprise ID"

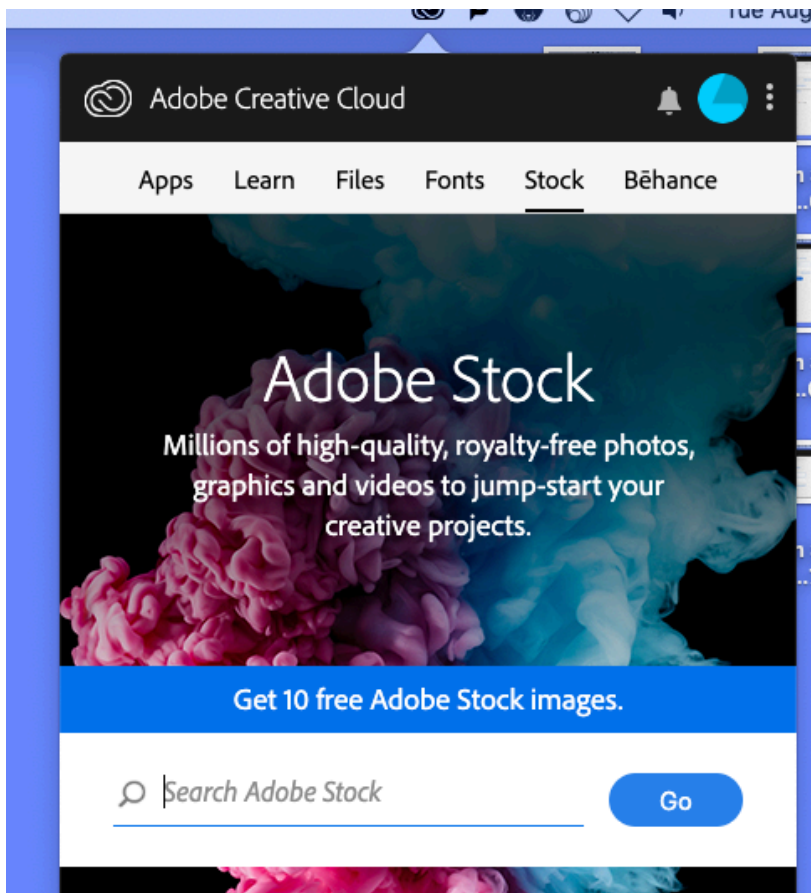

- 3) Enter your Alverno Email address and press the tab key (or click in the password field) and another menu will open asking you to sign in with an Adobe ID or Enterprise ID. Click "Enterprise ID."

- 4) In the box that appears, enter your Alverno ID and Password (The same as you use to sign into computers on campus.)

- 5) This will sign you into Adobe Creative Cloud. You should see the Creative Cloud sign-in window change from a login screen to look something like this:

- 6) Click on whatever Adobe apps(s) you wish you use in the Dock below. You should now have access to all of the Creative Cloud Apps.
