

Network Account Deletion Form for IMMEDIATE Separation of Employment

To be completed by the employee's supervisor with HR and returned to Tech Services

Tech Services disconnects an employee's access to network resources immediately after receiving a separation notice from HR. Tech Services must then receive this completed form to insure proper distribution of the employee's data BEFORE the employee's network account is actually disabled. Once the network account is disabled, it is much more difficult to retrieve email and voicemail messages or files from an employee's H: drive or OneDrive for Business.

If you have any questions regarding completion of this form, please call the Help Desk at Ext. 6700.

Employee Info:	Name:	ID Number:
Supervisor Info:	Name:	Signature:
Department(s):		
Last day of work at Alverno:		
Is employee also a current Alverno Student?	Yes No (If yes, follow column A on reverse side)	
Does the employee have teaching/assessing responsibilities?	Yes No (If yes, follow column B on reverse side)	
Is employee staff only?	Yes No (If yes, follow column C on reverse side)	
IMPORTANT NOTE: All requests for the departing employee's data, including email, voicemail, and files/folders stored on the H: drive and OneDrive for Business, must be made via this form before the employee's network account is disabled .		
1.	Do you want the contents of the employee's email and voicemail copied to another employee's email box? Yes No Should we also copy the email archives? (messages over 1 year old) Yes No If yes, to whose email box?	
2.	Do you want external email sent to this employee's address to be redirected to another employee's email account? Yes No If yes, indicate address: This is normally done for a period of two weeks or less.	
3.	Did the employee receive incoming mail for a department email alias address (ex: admissions@alverno.edu) that needs to be redirected? Yes No If yes, to whom should the mail be redirected? NOTE: Failure to redirect this mail will result in the mail being rejected.	
4.	Do you want the employee's voicemail box pin changed so that you may listen to and delete any messages? Yes No Should we leave the person's voicemail box intact for a period of time, e.g., the employee was interacting with prospective students? Yes No NOTE: The employee name/extension will be removed from the online phone directory immediately, but this will not affect your ability to listen to the messages. Please notify the Help Desk as soon as you are finished with the voicemail box, so that we may reassign the extension. This is normally done for a period of two weeks or less.	
5.	Do you want Tech Services to copy contents of the employee's H: drive to another employee's H: drive? Yes No If yes, to whose H: drive?	
6.	Tech Services will collect the employee's computer and reuse or retire it if the employee isn't going to be replaced immediately. If you do plan to rehire immediately, we recommend that the hard drive be reformatted (please note that reformatting cannot be performed if this is a "shared" computer). Would you like us to collect the computer? Yes No Would you like us to reformat the hard drive? Yes No	

	<u>Technology Resource</u>	<u>Column A</u> Employee is also a current Alverno Student	<u>Column B</u> Employee w/teaching or assessing responsibilities	<u>Column C</u> Staff only	<u>Initial</u> Supv. HR	
6.	Data files stored on network home directory (H:) and computer hard drive (C:)	The employee's account will be transferred to a student account, and the password will remain unchanged. All student-related documents can be moved to her/his student home directory. The employee should provide Human Resources with the names of the folders and/or documents to be moved to her/his student account. Human Resources will notify Tech Services to copy the files.	HR will work with Tech Services to insure personal files requested by employee are copied to removable media.	HR will work with Tech Services to insure personal files requested by employee are copied to removable media.		
7.	LiveText	If the employee had teaching responsibilities and will be continuing as a student, Tech Services will need to change the LiveText role. After this has been done, the employee will have access only to her/his own LiveText account and will no longer be able to upload feedback to other students' LiveText accounts.		Not applicable.		
8.	Moodle	If the employee was an instructor for a course, that course will remain visible in her/his Moodle account until she/he asks for it to be removed.	The employee's Moodle account will be deleted at the time her/his network account is deleted. If any course content needs to be kept for use in future semesters, please list the name of the employee to whom each course should be re-assigned. This person (or persons) will be responsible for managing those Moodle course materials and will receive an email reminder prior to the scheduled deletion of the course. Any Moodle courses not reassigned to a current employee (and all course contents) will be deleted during the next scheduled Moodle course deletion.	Not applicable.		
9.	Email	If "yes" is checked in #1, HR or the person identified in #1 should forward all student-related email to the employee's new student email address.	Not applicable.	Not applicable.
