

Submitting Assignments to Turnitin

Note: If you already have a Turnitin account proceed to step 2

Step 1: Create an Account

1. Click **Create Account** and choose the option to create a student account

Email Password **SIGN IN**

Create Account [Retrieve Password](#)

English (United States)

2. Enter the class ID and class password available from your instructor

Create a New Student Account

class ID information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

class ID

class enrollment password

3. Enter your name and e-mail address for your account

user information

your first name

your last name

email address

4. Create a password and secret question and answer

password and security

Please keep in mind that your password is case sensitive (for example, paSS123 would be different than pass123), must be 6-12 characters long, and contain at least one letter and one number (for added security).

Enter an email address and password you can easily remember. Please write down your email address and password for future reference.

enter your password

confirm your password

Next, please enter a secret question and answer combination. You will be asked for this combination if you ever forget your password and need to reset it.

secret question

question answer

5. Click the **I agree—create profile** button to accept the user agreement

user agreement

Please read our user agreement below. Select "I agree" to complete your user profile.

Turnitin.com and its services (the "Site" or the "Services") are maintained by iParadigms, LLC ("iParadigms"), and offered to you, the user ("You" or "User"), conditioned upon Your acceptance of the terms, conditions, and notices contained herein without modification (the "User Agreement").

You should review this User Agreement carefully before accepting it. If You breach the User Agreement, Your authorization to use the Site will
