Wisconsin's First Female Sheriff

In 1924, **Hanna C. Saunders**, Burnett County, was elected Wisconsin's first female Sheriff.

Mrs. Saunders replaced the outgoing sheriff, her husband Charles. "Her election assured that someone from her family would continue in the sheriff's position despite limits on successive terms. Her run was based on a common division of labor in sheriff's offices, where wives assisted their husbands with the non-policing aspects of the position."
