

# ALVERNO INTERPRETER INSTITUTE FALL 2017 WORKSHOP

## Immigration & Healthcare Reform: What does it Mean for Language Services?

### Objectives:

- Examine vulnerable populations in Wisconsin
- Understand proposed changes to healthcare and immigration and their potential effect on:
  - LEP populations
  - Interpreter roles
  - Language Services

## Immigration & Healthcare

Interpreters serve the increasingly vulnerable population of limited English proficient (LEP) people in a number of settings. With recent adjustments and further proposed changes to immigration and healthcare policies in the U.S., it is essential to understand how these adjustments might affect our role, our LEP clients, and potentially, our work flow.
