If you do not know your status with each of these departments, take the time to learn your status.
-

PERSONAL ESSAY OF PURPOSE FOR STUDYING ABROAD

Attach an essay addressing the following listed below. Your essay will be evaluated based on your ability to communicate that you:

- a) Have seriously considered your goals for study abroad and how study abroad relates to your program of study;
- b) Thoughtfully identified factors that affect intercultural experiences; and
- c) Have completed at least some basic research about the program/country in which you plan to study.

1. Why are applying for study abroad? Discuss your goals and what you hope to learn personally and professionally.
2. Describe your ideal intercultural experience either abroad or in the United States. Explain why the experience you describe would be "ideal."
3. How do you expect your study abroad experience to complement your course of study at Alverno? Provide specific examples of how being in the program/country you are applying for will benefit your study.
4. Your international experience will make you a special resource to the Alverno College community. How do you plan to use your experience to enhance the College upon your return? Provide one or two specific ideas.

NOTE: You should also provide a copy of this statement to the persons from whom you have requested an evaluation and letter of recommendation.
