E. Summary

1. Based on your experience with this student, would you predict success for her in an international culture? (Comments may be made in Section F.)

- Yes Probably Maybe Probably Not

2. Based on your experience with this student, would you predict success for her in an international university? (Comments may be made in Section F.)

- Yes Probably Maybe Probably Not

3. Assume you are working on an important project for the college. It is your responsibility to make sure the work is done promptly and professionally. There is a budget for a student worker to assist you. This student worker will have to function independently, handle details accurately, and interact with a variety of faculty and staff.

How would you feel if the student assigned to be your assistant was the student who has applied to study abroad?

- Delighted Confident Uneasy Anxious Would Ask Someone Else

F. Additional Comments - please add any general comments about the applicant's academic or personal characteristics that you think will be helpful to the IIC staff in their decision-making.

We value your insight and sharing of your personal knowledge of the student. (continue on separate sheet if needed):
