General Student Employment Application

When applying for a campus job, students will be asked to indicate which position they are applying for in the “Position” field of the online application. If you wish to apply for a specific job (e.g. *Student Assistant-Campus Safety*), select that job from the drop-down menu. Students who wish to apply for all campus jobs, however, may select *General Student Employment Application (formerly the Entry-level Student Employee application)*, to have their application forwarded for consideration to any departments with open positions (excluding Dining/Catering Services). Students should only select the *General Student Employment Application* if they would like to be considered for ALL open positions on campus. You can complete a student employment application more than once, if applying to multiple positions.

Please note: some campus jobs may require additional materials (e.g. resume, letter of recommendation, etc.). Please reference the qualifications and application directions for specific positions on www.alverno.edu/financialaid/jobsoncampus.php, prior to applying, if you wish to be considered for those positions.
