

Posting Date: September, 2021

Position:	Simulation Technician		
Department:	School of Nursing, Center for Clinical Education (CCE)/Clinical Simulation Center (CSC)	Hours per Week:	Part-time/On-call. Weekly variability of 3-4 hour shifts.

Primary Duties and Responsibilities

*The following information is not meant to be all-inclusive.
Other duties and responsibilities may be assigned as necessary.*

The primary responsibilities include operating patient care simulators, preparing the simulation environment, and developing and applying scenario moulage to model physiological responses to the clinical and skill objectives and specifications. The technician will trouble shoot new and existing patient care simulators and technology. Connections to students include explaining to students the functions of patient care simulators and related technology. As well as, ensuring student compliance with lab policies, procedures, and safety precautions. The position assists instructors with the implementation of clinical scenarios. Performs preventative maintenance and repair of simulators, and related technology in the simulation environment; diagnose more serious equipment malfunctions and notifies CCE manager for need of repair. Maintaining records and supply management are important duties to perform.

Qualifications

This position requires a Bachelor's of Science degree in Nursing, with one year of patient care experience and a current Wisconsin Nursing license. Training and/or experience with patient care simulators and related multimedia equipment is preferred. Strong verbal and written communication is desired. Ability to problem-solve is necessary. Attention to detail is required. Demonstrated ability to work in a highly collaborative work environment is desired.

Successful candidates will have a demonstrated commitment to promoting diversity, inclusion, and multicultural competence in an educational and work environment and must be willing to contribute to the College's strategic plan of inclusion.

Education

Requires a Bachelor's of Science degree in Nursing.
