Our New Playground is Open!

This project was paid for in full through Child Care Counts funding, a state program guaranteed through 2023. Other CCC projects have included the refinishing of all of our lockers and the resurfacing of the tot lot.

Our next CCC project will focus on the “bike side” of the playground.

Gallery Night a Success

Thank you to all the families who visited during Gallery Night. We were so excited to have our Silent Auction and exhibits in person. What a great turnout!

Together we raised over \$1,000.

All proceeds will be used to purchase classroom art supplies and equipment selected by teachers.
