

Posting Date: February 2019

Position: Assistant Professor – Physician Assistant

Department: Physician Assistant Program

Hours per Week: Full-time
12-Month

Alverno College is a private liberal arts college with an internationally acclaimed ability-based program and diverse student body. Our low instructor-to-student ratio and collaborative faculty contribute to a positive learning environment. We provide students with real-life, hands-on experiences in the classroom, in study abroad opportunities and in professional internships related to their major. These experiences, among others, have resulted in Alverno College being ranked higher than any other college in Wisconsin in its “Strong Commitment to Teaching” category for the ninth consecutive year.

This is a full time faculty exempt position. Salary will be commensurate with qualifications, education, and experience. Alverno College health, disability, and retirement plan enrollment is available to full time employees and eligible dependents. Tuition benefits are available for employees and qualified dependents.

Primary Duties and Responsibilities

*The following information is not meant to be all-inclusive.
Other duties and responsibilities may be assigned as necessary.*

The Assistant Professor supports the Physician Assistant (PA) Program director through active participation in the following:

- Ongoing development, review and revision of the PA program mission statement.
- Active participation in the process of selection of applicants for admission to the PA program.
- Providing PA student instruction within the PA curriculum.
- Evaluation of PA student performance.
- Academic counseling of PA students.
- Assuring the availability of remedial instruction as needed to PA students.
- Ongoing curriculum design and evaluation with effective coordination and implementation of any curricular changes as needed.
- Ongoing PA program self-assessment and evaluation in collaboration with the dean, medical director, and principal faculty.
- Ongoing participation in program accreditation and maintenance of accreditation.
- Expected to attend program-related functions such as graduation, white coat ceremony, committee meetings, and activities vital to the program’s success and continued accreditation.

- Teaching in areas of expertise as needed, skills instruction, participating in Summative Exam and OSCEs, participation in remediation as necessary.
- Engagement in teaching, scholarship and service activities
- Participate in PA Department committees
- Maintain clinical practice hours
- Participate in department meetings, committees, and official College functions when appropriate.
- Be respectful of the College's vision of a balanced and healthy lifestyle strategy, which includes the *Seven Dimensions of Wellness: Career, Emotional, Environmental, Intellectual, Physical, Social, and Spiritual*.
- Comply with safety procedures, including maintaining clean and orderly work areas.
- Perform other tasks as necessary to support the mission of the College.

Education and Qualifications

- Graduate of an accredited PA program or other accredited College/University with a Master's degree or higher
- Current NCCPA certification
- Current Wisconsin PA license
- Minimum of 3 years clinical experience as a PA and experience in PA education is preferred
- Excellent communication and organization skills

Work Conditions

- General office environment
- PA Program instructional environments

Successful candidates will have a demonstrated commitment to promoting diversity, inclusion, and multicultural competence in an educational and work environment and must be willing to contribute to the College's strategic plan of inclusion.
