

Posting Date: December, 2019

Position: CLASS INSTRUCTOR - BIOLOGY

Department: Biology

Hours per Week: Part-time (6
hours / week)

Primary Duties and Responsibilities

*The following information is not meant to be all-inclusive.
Other duties and responsibilities may be assigned as necessary.*

Contract begins January, 2020.

The successful candidates will teach:

Foundations of Biology

In this course, student learns to analyze and apply major concepts, laws, and theories of biological science. A strong emphasis is placed on cell functioning, particularly on cell structure, energy metabolism, and genetics, make accurate observations, and reasonable inferences.

The instructor is expected to collaborate with other instructors and use course management software.

Qualifications

The successful candidate should have good communication and collaborative skills and a commitment to teaching excellence. Previous teaching experience is a plus. Experience and/or knowledge that supports successful teaching in the ability-based curriculum is required.

Successful candidates will have a demonstrated commitment to promoting diversity, inclusion, and multicultural competence in an educational and work environment and must be willing to contribute to the College's strategic plan of inclusion.

Education

Earned Ph.D. in Biology or a closely related field. Candidates with other relevant degrees or experience may be considered.
