Position:	Pharmacology Instructor - Master of Physician Assistant Studies Program		
Department:	Physician Assistant Program	Hours per Week:	Part-time

Alverno College is a private liberal arts college with an internationally acclaimed ability-based program and diverse student body. A Catholic College founded by the School Sisters of Saint Francis, we are dedicated to the undergraduate education of women while serving men and women in our adult and graduate programs. Our low instructor-to-student ratio and collaborative faculty contribute to a positive learning environment. We provide students with real-life, hands-on experiences in the classroom, in study abroad opportunities and in professional internships related to their major. These experiences, among others, have resulted in Alverno College being recognized among the top four Midwest Regional Universities in the 2018 *U.S. News & World Report* "Strong Commitment to Teaching" category for the eighth consecutive year.

The College is seeking applicants for a part-time Pharmacology Instructor position for the Master of Physician Assistant Studies Program (PA Program) located in Milwaukee, WI.

Primary Duties and Responsibilities

*The following information is not meant to be all-inclusive.
Other duties and responsibilities may be assigned as necessary.*

Part time position available to teach master's level courses in pharmacology. Applicant is sought to teach three consecutive 4 credit pharmacology courses that span one-year in duration. Schedule will include teaching one or two days a week, plus assessing students, reviewing student work and providing feedback. This individual will collaborate with other members of the PA Program faculty.

Qualifications

Qualified through academic preparation and/or experience to teach Pharmacology. Classroom or clinical teaching experience is preferred. Recent practical expertise is required. Familiarity with physician assistant scope of practice and ability-based curriculum is a plus. Current Wisconsin license is required.

Successful candidates will have a demonstrated commitment to promoting diversity, inclusion, and multicultural competence in an educational and work environment and must be willing to contribute to the College's strategic plan of inclusion.

Education

Master's degree is required. Doctorate of Pharmacy is preferred.

How to Apply
